List of Deliverable Items for Inmates

Follow the updates of the
Correctional Services Bureau

Introduction

Items deliverable for inmates are divided into three types:

- ◆ “Approved items that visitors may bring in for inmates during visiting time”
- ◆ “Approved items that visitors may bring in for children aged below 3 during visiting time”
- ◆ “Items that can be delivered to inmates via application”

Visitors can personally bring in items that meet the specifications to inmates during visits. Prior to having the items delivered to inmates, visitors have to complete the procedures based the types of the items. All items approved to be brought in have to be submitted to the prison guards for security inspection. Only items meeting the specifications and security requirements can be delivered to inmates. As the security inspection takes time, to avoid any loss of visiting time, visitors are recommended to arrive at the Prison 15 minutes before the designated time of visit.
